

Otsego VIEW

SATURDAY, APRIL 12

The annual **Easter Egg Hunt**

will run from 11 a.m. to 1 p.m.
at Prairie Center,
8899 Nashua Avenue

This **free event** is sponsored by the Otsego Parks and Recreation Commission. Kids are invited to hunt for hidden Easter Eggs (*replenished throughout the event*) as well as visit with the Easter Bunny. A bike giveaway, face painting, stickers and tattoos are also planned.

For more information, visit the City's website under the recreation tab or call City Hall.

Election Judges Needed

Election judges are essential to our democracy by serving as officials to staff local polling places, administering election procedures, and ensure that the rights of voters are protected on Election Day. Serving as an election judge provides an opportunity to learn about the elections process and is a great service to our community.

If you are interested in being an election judge, please contact the City Clerk at City Hall to receive an application. All election appointments are made by the City Councils at least 25 days before an election or about three months before the primary. If appointed, you must attend training conducted by the County Auditor.

To be an election judge you must meet all of the following qualifications:

- *You must be eligible to vote in Minnesota*
- *You must be able to read, write, and speak English*
- *You cannot be a spouse, parent, child, or sibling of any election judge serving in the same precinct at the same time*
- *You cannot be a candidate or the spouse, parent, child, or sibling of any candidate on the ballot in that precinct*

PROPERTY MAINTENANCE

Everyone is excited to get outside and spruce up their property after the long, cold winter.

For more information regarding specific property maintenance requirements, please contact City Hall or visit the City's website. There is a property self-test on the Code Enforcement page of the website to help evaluate the condition of your property and your neighborhood.

Here are some City Code regulations to follow to help keep Otsego an attractive and inviting place to live:

IN THIS ISSUE:

Spring Clean Up
Commission Openings
Winter Reminders
Pride in our Parks and
Adopt-a-Street

- Lawns and boulevard areas must be mowed regularly so that grass is not longer than eight (8) inches except as allowed by the City Code.
- Noxious weeds must be eliminated before the plants go to seed.
- Planting within the boulevard or public right-of-way (generally 16 feet behind the curb or street) is limited to deciduous trees with minimum clearance requirements for vehicles and pedestrians. *Note that the City is not responsible any damage to plants or trees within the boulevard or public right-of-way.*

OTSEGO PARKS AND TRAILS

Get out and enjoy Otsego's many parks and trails. A complete listing of the City's parks and their amenities along with a map of their locations and City trails is available on the City website under the Parks and Recreation tab.

ROOM RENTAL AT PRAIRIE CENTER

Need space for seating and catering services for a large gathering? How about a smaller area for group meetings? A variety of community rooms are available for rental at the newly renovated Prairie Center. Visit the City website under Parks and Recreation or call City Hall for more information.

SPRING CLEAN UP

The City will again partner with Metro Appliance Recycling to provide residents an opportunity to do some spring cleaning of their yard and home with **Clean Up Week between Monday, May 5 and Saturday, May 10**. Clean Up Week with Metro Appliance Recycling offers City residents discounted rates for disposal of unwanted goods for recycling that cannot be handled in the regular trash. People will need to present identification to verify residency and drop items off at **Metro Appliance Recycling at 16403 60th Street in Otsego between the hours of 9 a.m. to 5 p.m. on Monday-Friday and 9 a.m. to 2:00 p.m. on Saturday**.

The following is a list of items accepted and the cost for residents:

Residential Appliances: \$10.00/each	Batteries: Free
CRT Televisions/Monitors: \$0.40/lbs.	Light car/truck tires: \$5.00/each
Electronics and computers: \$0.25/lbs.	Tractor/heavy truck tires: \$45.00/each
Scrap metal: Free	Fluorescent bulbs: \$0.50/each
Stuffed chair/couch: \$25.00/each	Cell phone: Free
Wood furniture: \$5.00/each	

Items **not accepted** include: paint, oil, antifreeze, yard waste and general garbage.

Contact Metro Appliance Recycling at 763.241.8787 with questions.

Otsego Volunteers

The Otsego Lions Club was chartered in March of 2013 and has been busy getting the Club organized and involved in the community. The Otsego Lions are looking to expand their outreach with volunteer projects in the community and looking to assist residents. If you or someone you know could use assistance with household chores, snow shoveling, lawn care, repairs or other needs the Otsego Lions are ready to serve.

You may contact the City Planner at 763.441.4414 to be put in touch with the Otsego Lions.

New members are also always welcome!

Otsego History Day Presentation

Come out and join the **Otsego Heritage Preservation Commission** as they detail the unique and vivid history of Otsego on Saturday, May 10 from 10 to 11 a.m. at Prairie Center. People will be able to see the many historical artifacts that the Commission currently has. A historical presentation will also be given by the Commission which will recreate a history of Otsego through documented facts and transcript. Coffee and rolls will be served.

Greetings Neighbors!

Are you ready for severe weather? **Minnesota Severe Weather Awareness Week is April 21-25.** According to the National Weather Service, Minnesota experiences an average of 40 tornadoes per year. In 2012, 37 twisters touched down. A record was set in 2010 with 104 tornadoes across the state. Understanding this threat and knowing what to do when a tornado is approaching can save lives.

Two of the most important events during Severe Weather Awareness Week are the annual statewide tornado drills. These drills are scheduled for **Thursday, April 24, 2014 at 1:45 p.m. and 6:55 p.m.** Outdoor warning sirens and NOAA Weather Radios will sound in a simulated tornado warning. The first drill is intended for institutions and businesses. The evening drill is intended for second shift workers and families.

Severe Weather Awareness Week is a great time to make and practice your emergency plan and build an emergency kit. Specific information about severe weather topics, including fact sheets, checklists, data and other resources is available Minnesota Department of Public Safety website.

<https://dps.mn.gov/divisions/hsem/weather-awareness-preparedness/Pages/default.aspx> and www.ready.gov.

Here are a few ideas to help prepare your family for a severe weather occurrence:

- Build an emergency kit.
- Purchase a NOAA All Warnings Radio for your home.
- Wireless Emergency Alerts are able to sound on all newer model cell phones

during an actual tornado warning. Severe Weather Awareness Week is a great opportunity to learn about these new alerts. The fact sheet can assist you in explaining this new technology.

- The City has installed warning sirens throughout the City as an emergency alert only for people outdoors. The sirens are controlled by Wright County and will sound for severe weather including sustained winds over 54 mph or hail larger than three-quarters of an inch in diameter or other emergencies and can be controlled based on specific weather patterns. Residents may hear sirens being sounded in adjacent communities that are in Hennepin or Sherburne Counties that are not controlled by Wright County. There are also emergency sirens within Otsego located by Xcel Energy related to the Monticello Nuclear Generating Plant, which are also sounded for non-power plant related incidents. Residents should be aware that all of these sirens are interconnected so if one is needed to be set off due to an emergency in Clearwater, these sirens in Otsego will also sound. **Sirens are tested by Wright County on the first Wednesday of each month by sounding them at approximately 1:00 p.m.,** with City staff in the field to verify that the siren is functioning properly.

The City Council encourages you and your family to take advantage of Severe Weather Awareness week to review your own emergency procedures and prepare for weather related hazards.

DOGS & CATS

Dogs are required by the City Code to be kept within the boundaries of their owners' property or otherwise leashed or controlled by electronic device by a responsible person so as to effectively be under control as by leash. Cats are also prohibited from running at large. **THE PARKS AND RECREATION COMMISSION HAS ESTABLISHED CARRICK'S LANDING AT AND THE AREA WEST OF THE BASEBALL FIELDS AT PRAIRIE PARK AS OFF-LEASH AREAS FOR DOGS.** Feces must be picked up and disposed of from yards, City parks and trails or otherwise be subject to enforcement of nuisance violations. To report a dog or cat running at large, a dangerous dog or barking dog that is disturbing the peace, please call the Wright County Sheriff by dialing 911.

SHELTER RESERVATIONS

The shelter at Prairie Park may be reserved by families, organizations or other groups during the weekends throughout the summer. The shelter has picnic tables, charcoal grills and electric service available.

Three-hour reservation periods are available each day of the week. There is a fee to reserve the shelter **of \$10.00 for weekdays and \$20.00 for weekend** (plus State sales tax) for each three-hour reservation period.

To reserve the shelter at Prairie Park, visit the City website at www.ci.otsego.mn.us under the recreation tab for online reservations or call City Hall.

HYDRANT FLUSHING

The Utility Operations Department will be flushing fire hydrants throughout the City in April. Flushing the hydrants removes sediment and mineral build up within the City's water lines to maintain water quality and also tests the system for adequate flows. NOTE: The cap may be left off of some hydrants after the water is turned off to allow the fixture to drain completely but City staff will return to replace the cap.

The schedule for flushing is as follows:

-
- Riverwood National: April 3**
 - East of Nashua Ave.: April 14-18**
 - West of Nashua Ave.: April 21-25**

PRIDE IN OUR PARKS & ADOPT-A-STREET

The City encourages people of all ages, including residents, community groups and businesses, to help keep Otsego clean, safe and more attractive through two community programs:

Pride in Our Parks volunteers assist in picking up debris, raking leaves, planting and maintaining vegetation, special projects and to help identify needed repairs in our parks.

Adopt-A-Street is a partnership between volunteers and the City Public Works Department whereby participants assist in picking up debris, planting and maintaining boulevard vegetation, special projects and to make visual inspections roadway areas to identify maintenance issues.

Pride in Our Park and **Adopt-Street** volunteers make a two year commitment for activities. Otsego Public Works staff provides basic oversight, safety vests, tools and materials as may be needed. The City also places a sign within the park or at the approaches to the adopted street crediting the individual, group or organization for their efforts.

More information about Pride in Our Parks and the Adopt-A-Street programs, including possible projects, available parks or streets and application forms, is available at the on the City's website or by calling City Hall.

Couples will park at the Otsego County Park and be bused to Ellison Park in Monticello. From Monticello, couples will be guided down the Mississippi River back to Otsego Regional Park. Canoes, paddles and life jackets are also included so sit back and enjoy an evening on the river. At the completion of the canoe trip, a picnic dinner will be served in the park. After dinner, plan on staying and watching the movie "Couples Retreat" on our large outdoor movie screen. You will have VIP seating (please bring your own chairs or blankets) and snacks will be served.

FRIDAY, AUGUST 1: 5 p.m.
