Native American focus for this year's study and Prairie Fest:

We clarified what we wanted to accomplish in studying about Native American history in Otsego. We did endorse this study as our focus for this year. Gail will send a note to Dan Licht about this and a possible outreach to interested citizens who might wish to do some research on this area coming through the Otsego View. She will also notify the Star News inviting those persons who may wish to participate or offer sources for this study and/or join the committee in this endeavor. Next meeting is scheduled for Tuesday, February 9, 2016.
